## **OUR INSTITUTION**

Pauni is one of the oldest semi-urban city having historical background and with crowded number of temples, and is popularly known as 'Kashi of Vidarbha'. Around 35 years ago, there was no institution offering graduation in science stream within the radius of 40 km. Hence many of the students could not completed their education in science stream. Shri Shivaji Education Society had taken initiative of providing science stream education at graduate level that consequently resulted in the inception of Science College at Pauni in the academic year 1988-89. The institution initiated with B. Sc. in Mathematics is now offering three degree courses such as B.Sc. (Mathematics), B.Sc. (Biology) and B.Sc. (Computer Science) along with four skill based short term courses. All the courses are permanently affiliated with RTM Nagpur University, Nagpur and the institution is under 2(f) and 12(b) norms of UGC.

The students of the institution have secured first position in both Bhandara and Gondia districts and have been honoured by the medals and certificates. The students also added golden feather in the cap of the college by securing highest marks in the individual subjects and occupying meritorious positions in the university examinations. The college is known for its excellence not only for its academic activities but also extension in society oriented activities creating employability for youth of the area and benefiting the farmers for enhancing their agricultural income through beekeeping, organic farming for sustainable development

## **OUR VISION**

The vision of the institution is to spread the education to different strata of the society, in the rural area, deprived of it during the preceding centuries to bring the social transformation and to use the education as a major tool to inculcate scientific temperament, sense of justice, leadership qualities, social responsibilities, ethical values and to bring them to the level to participate in the nation building activities with a view to promote their individual, social and consequently the national growth.

## **OUR MISSION:**

- To provide quality education to the students from all strata of society in general and poor and middle class families in particular.
- To impart quality education through the established academic programmes and promote scientific temper among the students,

- To create intellectually stimulating environment for students to acquire skill based knowledge and platform for creativity, innovations to progress towards excellence and to make them vibrant and conversant with current knowledge,
- To inculcate sense of discipline and responsibility towards nature and society
- To create intellectually stimulating environment for innovative ideas, creativity and to provide best educational experience to the students by promoting an environment of continuous improvement.
- To imbibe the students with science oriented ethical, moral and social values in personal and social life leading to highly cultured and civilized citizen
- To disseminate the latest knowledge and technology in farming practices by establishment of farmer's association.
- To emerge as premier higher education institute within the area by providing quality education,

## **OBJECTIVES OF THE INSTITUTION:**

- 1. To provide quality education to the students in science stream**
- 2. To develop functionally suitable and conducive environment for students and the staff for academic venture**
- 3. To develop the institute as a place for excellence in learning**
- 4. To inculcate moral and ethical values among the students to make them accountable citizens to the society and nation**
- 5. To focus and implement participatory and experimental teaching-learning practice**
- 6. To develop overall personality of students**
- 7. To help students for career opportunities**
- 8. To extend outreach activities for farmers and the youth of the area**
- 9. To provide training to the farmers and the youth for entrepreneurship development and employability**
- 10. To develop students and staff to get national acclamation**
- 11. To carry out applied and society oriented research**
